## From Miss Daley's Desk:

I hope everyone had a wonderful Spring Break!!! It is such a great time to spend time with family and friends or simply just relax! ☺ I cannot believe how fast this year is flying by! ## A Note From Speech:

Help your child to think about how others are feeling or thinking-

In everyday situations, talk about the differences in what people like and think. For example, you can ask your child to help you pick cereals in the grocery store, based on what he/she knows about the preferences of family members. This helps him/her think about what others think and like. When you read books with your child, talk about what the character in the book is thinking and/or feeling.
