## Reading

This Week we will be working on Unit 1 Week 3. This week's essential question is "How do people from different cultures contribute to a community?" All of our stories will focus on this essential question. The focus skills this week are sequencing and asking and answering questions to gain understanding.

## Math

Your child has been working on a set of math facts. They will be tested on their facts every Tuesday and Thursday. When your child passes their test they will move on to the next set of math facts. Please encourage your child to review these facts each night.

## Important Dates

October 4

PFA Cardinal Chase  
Memorial Park in Palos Heights

October 9

Noon Dismissal

October 14

Picture Retakes

## Contact Info.

If you need to contact me, you may send an email to [siwanenko@palos11.org](mailto:siwanenko@palos11.org) or you can call my classroom directly at 761-3827.

Please contact the office or send a note with your child if there is a change in your child's dismissal.

Supply Request. . .

I would like each child to have a **composition notebook** for writing no later than Monday, October 5<sup>th</sup>. Thank you!

## Homework

Please remember that you can check the assignment notebook on my teacher webpage. I will also post important daily information on this page.

\*\*If your child forgets their homework they can access it on both the Wonders website and Everyday math.

## Social Studies

We are moving along in our Maps and Globes unit. This week our focus will be on the four main directions: north, south, east, and west.
