Services

ALL FEES ARE CASH ONLY. No insurance accepted or filed. Our Physicians CANNOT be your primary physicians.

The following services are available:

- **BLOOD PRESSURE MONITORING** - Let us help you keep track of your blood pressure. Come in during health service hours.
- **DIABETES MONITORING** - Fasting blood sugars are done every MONDAY and FRIDAY MORNINGS from 8:00 A.M. to 9:30 A.M. **DO NOT EAT OR DRINK** after midnight on the night before the test.
- **PHYSICAL EXAMINATIONS** - Our physicians will perform school, camp or employment physicals. **Call for an appointment.**
- **IMMUNIZATIONS** - Available from infancy through age 18 as required by the State of Illinois, if not covered by Private Insurance. **Call for an appointment.**
- **CHOLESTEROL SCREENING** - Available every month. Gives total value only. Fasting preferred or eat lightly.

- **CHOLESTEROL TESTING** - Includes tests for high and low cholesterol, ratios and triglycerides, and glucose values. **DO NOT EAT OR DRINK after midnight the night before the test.**
- **FOOT CARE** - Available to Senior Citizens six days each month. **Call for an appointment.**
- **PREGNANCY TESTING** - HCG Urine test - first morning specimen.
- **ILLNESS** - Our physicians will see you or your child if you have a **minor** illness and are unable to see your private physician. Follow up care **must** be provided by your private physician. **Call for an appointment.**
- **FLU SHOTS** - Flu shots are available each year in Fall/Winter. Times and dates for flu shots are announced when vaccine is available. Cost is nominal or billed to Medicare.
- **TB TESTING**- Mantoux skin test. Must be able to return to the clinic in 48-72 hours for test to be read. **Call for an appointment.**
- **HEMOGLOBIN A1C**- for Diabetics; reflects average blood sugar levels over the previous 2-3 months. No fasting is necessary.
