Happy Summer!!

Dear Parents,

We have had such a fun year of learning and growing together. Our wonderful class was full of unique individuals who helped create a supportive, productive, and positive classroom community.

Thank you for the support you gave your child this year. We could not have had such a successful year without you. I am so proud of how hard all of my students worked and the progress they made. I look forward to watching them grow in third grade and the years to come! Enjoy your summer!!

Sincerely,
Mrs. Moreau
