June 5 - 7, 2019

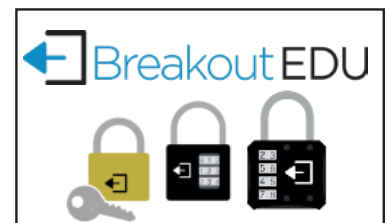

Palos South Middle School

8:30 a.m. - 11:30 a.m. (entering grades 1-4)

12:30 p.m. - 3:30 p.m. (entering grades 5-8)

District 118 is offering an exciting three half-day summer technology camp for students entering grades 1-8 at Palos South June 5-7. The cost of the camp is \$60, and is designed for all levels of technology skills. Parents can register online for camp at www.palos118.org. Just click on "Web Store" under Quick Links and complete the information. Please choose the appropriate camp based on grade level.

- **Breakout EDU:** Campers will use teamwork and critical thinking to solve a series of challenging puzzles in order to open locked boxes. Can you figure out the clues? Will your team break out in time?
- **Sphero Battle Bots:** Campers will create battle bots using the Sphero SPRK+ and compete in a camp tournament to determine a Sphero Battle Bot Champion!
- **MakerSpace:** Students will bring creativity to life as they create circuits, personal video games, code, and more during a hands-on MakerSpace.
- **3D Printing:** Using CADD software, students will design and build with 3D printing.
- **Stem Challenges:** Using principles of STEM, students will apply them to a variety of challenges including rockets and helicopters.

Please contact Deb Balayti for more information at 708-448-4800 ext. 5804 or dbalayti@palos118.org
