

**Model U.N. Club
Palos South Middle School
Club Sponsor: Mrs. Partin**

PERMISSION FORM

Model United Nations is an authentic simulation of the United Nations main organs. This club examines many of the current international issues facing our world and explores possible solutions to these issues. Students will learn to work with peers, educate themselves in world affairs, and become skilled at debating issues in a constructive environment. Students will prepare draft resolutions, plot strategies, negotiate with supporters and opponents, resolve conflicts, etc. Before playing out their role as a Model U.N. ambassador, students will do research on the particular global problems, which are drawn from current headlines, to be addressed.

- Meetings will be held weekly or biweekly from September to May:
 - Dates to be announced and are subject to change based on scheduling conflicts of sponsor and/or members.
 - Meeting dates will be announced over the P.A. system, as well as on the Palos South website.
 - Attendance is extremely important to the overall success of the club. Students are expected to attend every meeting.
- Meetings are from 2:45-3:45p.m.
 - Students are to be picked up in the back of the school building promptly at 3:45pm or take the after school activity bus home.
 - After 3 late pick ups, students will not be allowed to return to the program.

We thank you in advance for your cooperation and look forward to an exciting year!
