

# President's Report

President MariJo Calacci welcomed newest board member Dr. Jerry King, who was appointed in August by the Board of Education. Dr. King is a retired thoracic and peripheral vascular surgeon who practiced at Christ Hospital for about 25 years. During his time at Christ, Dr. King served as medical staff president for two years after having served on numerous committees. After retiring from clinical medicine, Dr. King became a medical director for Blue Cross Blue Shield of Illinois, eventually retiring in 2010.

Thank you to our staff members, parents, and PFA, MPA, and Foundation for all of their efforts in in getting our district off to an amazing start and helping to make this school district such a great place for kids!
